GENERAL TERMS AND CONDITIONS OF PARTICIPATION

Dear,

We are glad that you are interested in participating in our activities!

In order to organize our activities transparently, we would like to introduce you to our "General Terms and Conditions" and " Code of Conduct ".

We started organizing our activities with the aim of providing additional activities to all interested LGBTQIA+ and friendly people. In view of this fact, but also of other valid legal regulations, it is important for us that you inform yourself about our Terms and Conditions in a timely manner.

WHY IS IT NECESSARY FOR A USER OF QUEER SPORTS SERVICES TO ACCEPT THESE TERMS?

Queer Sport, like all other formal and informal organizations, has a legal obligation to take appropriate measures and inform its users about the conditions under which it enables participation in the activities it organizes, the use of the services it provides, and the way it collects and protects personal data.

The safety of all users and the quality of services provided by Queer Sport depend on the behavior and measures taken by the users themselves. Therefore, these terms of use inform users of their obligations and the conditions under which they may participate in activities, use services, and submit their personal data for processing by Queer Sport.

Considering the historical experiences of the LGBTQIA+ community on issues of personal data protection and physical security, we carefully consider what personal data is truly necessary to collect. Therefore, we ask for your cooperation and would be grateful for your feedback on how we can improve these conditions and the measures and activities taken.

CONDITIONS OF PARTICIPATION IN QUEER SPORTS ACTIVITIES

By participating directly (physically, live) in Queer Sport activities and events, you agree that you will directly meet other participants in person, either in an open or closed space (depending on the event you are registering for), and that you will respect and adhere to the " Code of Conduct ".

If you are planning to come with your group, that is fine, but it is important to us that all people register (or you register them) for all activities for which there are registrations and/or a limit on the number of participants. In the event that too many participants register, priority will be given to those based on the time of registration.

In the case of direct (physical, live) as well as online (digital, online) participation in Queer Sport activities, taking photographs, videos, audio or 3D recordings of other persons present at the event is prohibited, as is recording, publishing and forwarding personal data of other persons present at the event, unless you obtain appropriate consent from all relevant attendees and representatives of the event organizers before commencing the recording and collecting data on your own.

BY REGISTERING FOR QUEER SPORTS EVENTS:

- you voluntarily consent to the collection and processing of the personal data provided by Queer Sport in the application/registration form you fill out; these forms may differ for different events (sports and/or activities), depending on the type of activity and the needs of the organization;

- you allow the volunteers of Queer Sport to take photos, videos and sound for the purposes of documenting certain activities and creating promotional materials, pictures, videos, etc. to promote completed or planned future activities. If you do not want to be on promotional materials, pictures and videos, you are obliged to point out Queer Sport to the volunteers before the event, who will make sure that your choice is respected. Photos and videos of you will NOT be used for promotion on social networks without your consent.
- you agree not to record or forward the data of other event participants (sound, video, 3D recording, personal data), which will become available to you during the event, even if other participants voluntarily provided it as part of the activity;
- Each individual confirms that they meet the health and psychophysical requirements for safe participation in the event (sport and/or activity), that they approach the event (sport and/or activity) at their own risk, and that they will comply with the decisions and instructions of the event (sport and/or activity) leader in accordance with the agreed group rules. The event (sport and/or activity) leader has the right to change the event (sport and/or activity) program due to objective circumstances at any given time.

PARTNERSHIP ACTIVITIES

Some of the activities we organize in cooperation with partner organizations will be specially marked on the application forms and a link to the General Terms and Conditions of each partner organization will be published. By registering for activities marked in this way, you confirm that you have read and accept the "General Terms and Conditions" of the partner organizations.

CONDITIONS OF CONSENT

By giving your consent, you agree to the collection and further processing of your personal contact information from the application form, and provide it to Queer Sport.
